

## GULF SHORES & ORANGE BEACH TOURISM

Alabama's White-Sand Beaches

Our public relations team is excited to welcome our first Partner Connection media spotlights of 2019: Ron and Nancy Stern! This travelling, freelance writing couple will be splitting time between our beaches and Mobile from Feb. 7-14. Ron is on assignment for several stories with The Epoch Times, a multi-language newspaper headquartered in D.C. with circulation in New York, Chicago, Dallas, Houston and more. Nancy is working on a story for Communities Digital News, an online outlet with a large national reach. This is the couple's first visit to the Alabama Gulf Coast, and they are most excited to explore all things sun, sand and seafood! They are both eager to hop on the Hugh S. Branyon Backcountry Trail by both Segway and bicycle. They also have a long list of restaurants they can't wait to try. Ron is a big fan of grilled seafood and ice cream, and Nancy loves BBQ, so we have a feeling they will feel right at home on Alabama's beaches. **If you or your business would like to be a part of the Stern's trip or any other 2019 press trips, please contact [Kay Maghan](#) or [Mary Sergeant](#).**
