FEATURED LISTING VS. STANDARD LISTING

Listing descriptions must be original to the business and factually accurate. Fully AI-generated descriptions will not be accepted. AI may be used for editing or refinement, but all submitted content must be reviewed and approved by the partner.

Featured Partners should be responsible for keeping amenities, photos, URLs, descriptions, contact information and offers current.

Gulf Shores & Orange Beach Tourism reserves the right to edit listing content for accuracy, length, formatting, accessibility, brand standards, SEO and overall website user experience.

Space is limited. To become a featured partner, log into the partner portal to find and submit the featured industry partner form.
